

Leave the House dark t-shirt transfer

You have just downloaded your free t-shirt transfer. To make your own dearjohn iron-on t-shirt please follow these instructions:

1. Have a **dark** coloured t-shirt ready.
2. Purchase **dark** transfer sheets and read pack instructions carefully.
3. Decide where on the t-shirt you want to iron-on the design.
4. Print **page 2** of this file on to a transfer sheet (do not print this page)
5. Cut the dotted line around the artwork as shown below.
6. Iron on according to instructions in the pack you purchased.

NB. Some printers have a specific setting for printing t-shirt transfers. This may automatically reverse the image. Most brands of transfers for Dark t-shirts do not required to flip the image, so you may want to check this function.
