

# Leave the House light t-shirt transfer

You have just downloaded your free t-shirt transfer. To make your own dearjohn iron-on t-shirt please follow these instructions:

1. Have a **light** coloured t-shirt ready.
2. Purchase **white** transfer sheets and read pack instructions carefully.
3. Decide where on the t-shirt you want to iron-on the design.
4. Print **page 2** of this file on to a transfer sheet (do not print this page)
5. Cut the dotted line around the artwork as shown below.
6. Iron on according to instructions in the pack you purchased.

**NB.** Some printers have a specific setting for printing t-shirt transfers. This may automatically reverse the image. As we have already done this for you, you do not need to change the setting.
